

The Enchanting World of Garlic Presentation by: Jeannette Lawson

SATURDAY, AUGUST 22ND, 2026

2:00 PM - 3:00 PM

SOUTHWEST WASHINGTON FAIRGROUNDS

1909 S. GOLD ST - CENTRALIA

Step into the fascinating world of garlic in this lively, educational presentation lead by certified Master Gardener Jeannette Lawson. Discover its rich history and colorful folklore, explore the chemical secrets behind garlic's bold aroma and complex flavors, and learn why the difference between hardneck and softneck varieties matters.

We'll dig into essential techniques for planting, fertilizing, and maintaining soil health. Plus, uncover how to identify pests and common pathogens, and master the art of harvesting, curing and storing your own magical garlic.

Come for the fun - leave with the know-how to grow garlic like a pro!
